

CUP + TOPPING CONTAINER

Our 256, 350 & 500ml Cold Cups can be combined with our 60ml Taster Bowl and our Toppings Lid to create a Cup with a Toppings Container.

This nifty solution is perfect for crunchy granola, toasted flakes, chocolate sprinkles, fresh berries, sauces, dressings and anything best added just before eating. It allows you to keep ingredients crisp and crunchy, serving up fresh flavourful food.

- Made from low-carbon plant-based PLA
- Suitable for cold foods only
- Natural & non toxic
- Plant-based and renewable
- Completely compostable in large-scale composting facilities
- Food safe
